HUGE RESERVOIR PUT INTO USE BY CITY YESTERDAY

Water Expansion Program Finished and City Has Ample Storage Capacity

EXPANSION COST IS PAID

Through CWA and SERA City Gets $80,000 in Construction for $27,000

Yesterday afternoon water was turned into Upland's newest and largest reservoir—his honor, "The Old Gray Mayor" P. H. McQuillen putting the official touch to the occasion by turning the wheel which let the first water go gushing into the large tank. This newest addition to the city's water system completes a program of construction which it is expected will provide ample water for Upland people for some years to come.

The new reservoir is located on East Fifteenth street and adjoining it on the east is the first reservoir built for this district. Capacity of the latter is 700,000 gallons, while the new one has a capacity of more than four times that amount—or 3,000,000 gallons. The new structure is constructed of reinforced concrete and is supposed to be earthquake proof. It is 180 feet across and about 14 feet deep. City and chamber of commerce officials and a number of other Uplanders were at the scene when the water was turned on—all going down into the huge vacuum, and Manager R. G. Manley telling them of the details of construction and the expense, also giving a review of the entire water program carried on by the city since it became a municipal enterprise.

The city acquired the system from the Citizens Land and Water Co. in 1923 or 1924, the latter being very anxious to sell to the city because of the fact that they would have had to float a large bond issue in order to make needed improvements and expansions, realizing it would also be necessary to raise the water rates in order to meet the expense. After the city acquired the property, along with the Ocean View Water Co., the program of improvement and expansion was begun. New wells were put down, new pipe lines and larger mains laid and reservoirs and pumps were connected with a conduit pipe line running from the Fifteenth street location to the mouth of San Antonio canyon. This line will deliver 250 inches of water to the new reservoir. A well has been put down on Sixth avenue, just below Ninth street, which develops 150 inches and boosts the water to the new reservoir on Fifteenth street.

All this expansion required no small amount of money and the water rates were raised in November, 1929, with the understanding that when possible they would again be lowered. As the major portion of the program has been completed it is now possible to do this and the first of February the rates will be reduced to the old schedule, which reduction the council announced a short time ago.

About a year ago—for the purpose of furthering its building program—the city contemplated borrowing $60,000 from the federal government under the PWA. This would have required a bond election and payment of interest over a period of 20 years. However, after the PWA was succeeded by the CWA the plan was presented to that department and accepted. Under CWA two reservoirs were installed—one on 26th street and the other on 22nd street. These two cost the city of Upland about $6000, balance of the total cost of $20,000 coming through CWA.

The newest and largest reservoir—the one put into use yesterday — was built under the SERA program. The total cost of same is about $40,000, of which the city paid about $14,000 and SERA the balance of about $26,000. Today a pipe line job on Mountain avenue will be completed at a cost of $7000 to the city, but the actual cost of which is $20,000—again SERA assisting. Thus it will be seen that the citizens of Upland have gotten about $80,000 worth of construction in their water system at a cost of about $27,000.

All this work has been accom-

(Continued on Page Two)

Work Increasing

Number of Persons on SERA Rolls Dropped 31 Today Following Check Up

As the result of 31 Upland persons obtaining employment the SERA case load here today is 132. As each month draws to a close, a thorough check up is made of the persons receiving direct employment benefits from the SERA. When any member of an SERA family has obtained work, that family is dropped from the list eligible to receive work on various SERA projects. Last week 163 persons here were on the SERA rolls.

Citrus picking and packing activities are largely responsible for the number of SERA persons being reduced. The SERA provides only enough work to enable a family to exist, thus encouraging individuals to seek work elsewhere. SERA "visitors" constantly keep in touch with all families on the SERA rolls. A decline in the number of families getting aid is an indication of increased work available from private concerns and individuals.

In Cucamonga the SERA case load was dropped 26 today, making the total there 125. The Cucamonga decrease is also due to new activities in citrus harvesting.

Mrs. R. D. Vice is clerk for the SERA offices here and in Cucamonga. Frank Wiley is the SERA visitor in this district.

LIBRARY AGAIN IS OPENED TO PUBLIC

Sarah Temple Junior Library Heartily Approved by All Visitors

After being closed for the past three weeks for redecoration and other improvements, the Upland public library was opened to the public Monday and throughout the afternoon and evening many patrons called to inspect the improvements and to voice their approval of the new arrangements.

Paint and varnish for all woodwork and a fresh coat of wax for the floor have made the main floor of the library appear brand new.

The new arrangement of the book racks and reading rooms also is a decided improvement, much new space having been made available by the removal of the children's department to the basement and the rearrangement of the reference room.

An important feature of the day's events was the opening of the completed children's library in the basement, which has been officially named the Sarah Temple junior library.

For years Mrs. F. H. Manker, the librarian, has talked of and planned for this junior library and she calls it her "dream come true."

The well lighted, sunny basement, with its many windows attractively draped, its shining new furniture, its shelves and racks of books, and its decorated walls truly is a dream place for youthful readers.

At present the junior library will be open each day from 2 to 5 p. m., with members of the present staff taking turn in doing this additional work. It is hoped the library later will be able to provide for a full time children's librarian.

The improvements were made possible through SERA assistance in providing the labor, while the materials were supplied by a fund that has been accumulated for that purpose by the library board during the past years.

During the time the library was closed the members of the staff worked diligently in rearranging the books and other equipment to provide even greater convenience and comfort for the patrons.

Junior High Leaders For Term Installed

Upland Junior high school student body officers for the second term are in office today, having been installed last Friday.

Hugh MacLean is the new president, the other officers being Fulton Pennick, vice-president; Genevieve Jacobs, secretary; Donna Murkins, program chairman; Truth Kaemmerling, yell leader; Dorothy Benson, pianist, and Anita Rohrig, traffic patrol chairman.

BURLINGAME NAMED CITY JUDGE, CLERK OF POLICE FORCE

Full Time Position Made in New Arrangement as Jobs Combined

EFFECTIVE ON FEB. 1

Appointments Looked Upon as Temporary—Finger Printing To Be Continued

D. J. Burlingame will become city police judge and clerk of the police department and in charge of the identification department of the city on Feb. 1, under a temporary arrangement announced today.

As police judge he will preside over all court sessions involving charges arising within the city limits. As clerk of the police department, he will be always present during the day time to handle telephone calls, to keep department records and to keep books on license collections. He will also maintain identification department records.

To further prepare himself for the identification work, Mr. Burlingame is attending a special night school conducted at the University of Southern California. Upland Rotary and Lions clubs are paying the tuition at the school as their part in the identification department.

For several weeks Mr. Burlingame has been serving as clerk of the court, with City Attorney Edward E. Gray holding the temporary appointment of city judge.

These changes in the judicial and police departments are brought about through the illness of Judge George R. Crane and the election of Cecil Myers as constable, thus removing him from the city police department.

Mr. Burlingame will be responsible to the city council, it was explained. Richard G. Manley, city service manager, told of the appointment, which is looked upon as more or less of a temporary arrangement.

Mr. Burlingame's work will occupy his full time. The arrangement makes available another member of the police department, enabling all the regular officers to spend their time on their beats throughout the city. The combination position will not make any great change in the city's budget it was assured.

For several years Mr. Burlingame has been associated with Walter W. Horak in the real estate business in this city, and he has been a well known resident of Upland for many years.

ANDREAS RETURNS FROM SACRAMENTO

Assemblyman Said He Did Not Sponsor Time Payment Moratorium

Godfrey A. Andreas, assemblyman from this district, is back in Upland from the first part of the state legislative session, and is planning to further various measures at the final session. He arrived yesterday.

Mr. Andreas is not the author of the moratorium proposal to delay payments in installment contracts, he emphatically declared today. Press reports coming from Sacramento 10 days ago said that the assemblyman from this district had introduced a measure to give relief to those persons who had purchased on the monthly payment plan.

Mr. Andreas said he didn't know who presented that proposal and who is responsible for giving him the credit for such a measure.

The assemblyman from this district did, however, present several proposals, with his main concern on flood control and water conservation. Mr. Andreas is one of 12 Democrats in the assembly being made a chairman of a committee. He is at the head of the charity, corrections and unemployed committee. He was the only Democrat south of Fresno who voted for the Republican, Mr. Craig, for speaker.

Within a few days Mr. Andreas said he would have a digest of all the bills introduced during the month of legislating.

Cooking School Is Coming

New Culinary Ideas, Many Prizes Will Be Given In Three-Day School Here Next Month

Unique, instructive and entertaining, a cooking school will be conducted on the Upland Woman's club house three days next month—Feb. 18, 19 and 20. Mrs. Ethel Rogers, widely known home economist, will be in charge. Scores of new cooking ideas will be presented, and many wonderful and valuable prizes will be given free.

J. H. Siegrist, local electrical goods dealer, and The Upland News are sponsoring the school. This is the second annual school, the first one being held in February of last year.

Mrs. Rogers is looked upon as one of the most popular school demonstrators in Southern California. Almost every day she is conducting a school in one of the southland's cities. As a leader in this field, she is unusually capable to present to local women the newest angles in the business of economically and efficiently preparing foods.

A cake baking contest will be held, with a valuable prize to be given the winners. Any non-professional baker in the Upland district will be eligible to enter a cake. It will be remembered that last year the cake contest was unusual in that F. B. Harn, the only man entering a cake, won first prize.

Many new and popular recipes will be presented by Mrs. Rogers as a feature of the school. An electric stove will be used and other electrical appliances will be on display. She was in Upland on Saturday and inspected the club house. Highly complimentary to the community for having such a distinctive building, Mrs. Rogers said she anticipated a very successful school.

Mrs. Ethel Rogers

Who will direct the Siegrist-Upland News cooking school in the Upland Woman's club house Feb. 18, 19 and 20.

A feature of the school will be the awarding of scores of prizes to those in attendance. Prizes valued at nearly $200 will be given away free by the sponsors and various food wholesalers. A grand prize will be presented on the last day.

H. A. TEGET LOW BIDDER ON PLANT

Ontario Sewage Disposal Project May Be Finished For $34,770

H. A. Teget, Ontario contractor, submitted the low bid for completion of the Ontario sewage disposal plant, at the special meeting of the Ontario city council last night. His estimate for finishing of the project that was left incomplete by a former contract holder was $34,770.

Public Works Administration, commonly known as "PWA", will officially grant the contract, the Ontario council recommending that Mr. Teget be favored with the job.

A bid was also submitted by a Beverly Hills contractor—his figure being $42,122.50.

The contract is scheduled to be let by next Monday and the successful bidder will begin work immediately.

Construction of the sewage disposal plant is being financed with the help of the federal government.

Mrs. Anderson Prizes Picture and Letter

Believing in passing along verbal bouquets when they will be most appreciated, Mrs. Gust Anderson of East Arrow highway, recently wrote to President Roosevelt, telling him that his conduct of national affairs had made a good Democrat of a Republican, in her case, and that her faith in him is growing as she watches his work.

Mrs. Anderson was very agreeably surprised a short time later when she received a cordial letter of thanks from the White House secretary, with an excellent picture of the president enclosed. Mrs. Anderson greatly appreciates both the letter and the picture.

Townsend Plan To Be Explained to Lions

Mrs. Alma L. Parker, Riverside lecturer and ardent leader in the Townsend pension plan, will tell members of the Upland Lions club on Thursday about the plan. She was a recent speaker in Ontario and those who heard her then described the address as very instructive.

In arranging for her to speak, the club is taking no side in the pension movement, but is enabling the members to learn in detail of the proposal that is now before Congress. Any persons wanting to hear Mrs. Parker at the club meeting in Red Hill Country club house are invited. Reservations for dinner may be made at the Mehl Hardware Co.

BENEFIT DANCE TO ATTRACT HUNDREDS

Presidential Ball Tomorrow Night at Red Hill Will Be Big Feature

With several special features offered and with every minute crowded with pleasure, the President's birthday ball to be held on Wednesday night, Jan. 30, in Red Hill Country club, is expected to be one of the major community social events of the year and a large attendance is indicated by the general interest being shown.

Those who do not purchase tickets in advance may secure them at the door Wednesday night. The tickets sell for $1.00 and entitle the holder to enjoy all features of the evening, including the buffet supper.

The entire evening is arranged as an informal affair. The buffet dinner will be served at 8 o'clock. Provided by Roy Creighton, a radio will bring in President Roosevelt's address at 8:35 and the dancing will start at 8:45, the music being provided by Max Ervine's orchestra. Bridge tables will be arranged for those who do not care to dance.

One of the outstanding entertainment features of the evening will be the appearance of Dorothy Williams, widely known dancer and instructor in the Dorothy Williams dance studio, and two of her students, Miss Elaine Jones and Francis Herring. Miss Williams will give an exhibition of ballroom waltzing and Miss Jones and Mr. Herring will be presented in the Spanish dance, La Cucaracha, and in an adagio dance.

Mrs. A. Bradford Whitney, general chairman, and her committees are well pleased with the public response so far and they are hopeful the ticket sales at the door will materially increase the proceeds.

As probably everyone knows, the purpose of the birthday ball, one of several thousand such events being held throughout the nation, is to raise funds with which to combat infantile paralysis. Seventy per cent of the sum realized from the Red Hill ball will be donated to the San Antonio Community hospital to be used in preparations to combat infantile paralysis, the remaining 30 per cent going to a national research fund.

The public is cordially invited to go to the club house Wednesday night and enjoy more delightful entertainment than one dollar will secure at any other time or place, and at the same time help save some crippled child.

The local ball will be one of several in the county. Ontario participants will unite for a dance.

LOCAL WITNESSES TO GIVE VIEWS IN VERMILYEA TRIAL

Evidence Will Be Obtained by San Bernardino Attorney This Week

TESTIFY AT COUNTY SEAT

Part of Murder Trial to Hear Eight West End Persons Tell of Case

Part of the trial of Harold W. Vermilyea, Ontario, charged with the murder of his mother, will take place in San Bernardino this week, with several from this district appearing as witnesses.

Attorney T. W. Duckworth, San Bernardino, has been named as commissioner to receive testimony from witnesses, thus obviating the necessity of the witnesses being taken to Ontario, Canada. Vermilyea is now in Canada awaiting trial, which opens Feb. 6.

Among the witnesses to testify are Alfred Utman, of Etiwanda; Ed Ketcheson, Upland, and Charles Morrison, Tom Pittenger, Walter Devore, Aurelia Vermilyea, Chas. Miner and W. Brinker, Ontario.

Vermilyea contends that he was in California Oct. 5, the date his mother was allegedly whacked to death with an axe near Belleville, Ontario, Canada. Nature of the testimony the witnesses will give is not known, but it may shed light on Vermilyea's whereabouts during the time prosecutors contend he was on a speedy flight to Canada.

Attorney Lester G. King will represent Vermilyea during the San Bernardino hearings; S. T. Hankey, British consul in Los Angeles, will handle the prosecution in obtaining the testimony.

Taking of the testimony in San Bernardino is expected to be started today or tomorrow. It is to be completed by Feb. 6, the date of the start of Vermilyea's trial for his life in Canada.

Vermilyea was arrested in Ontario, Calif., Oct. 7, by Chief of Police J. Loraine Loch, on a warrant issued by Canadian police. Evidence obtained by Mr. Loch supported the prosecution's contention that Vermilyea was in Canada the day his mother was killed. Mr. Loch went to Canada to testify at Vermilyea's preliminary hearing. It is likely Loch will be asked to attend the trial next month.

Mr. and Mrs. Earl C. Thomas and family were today settled in the residence at 2031 Euclid avenue, the former Milton Davenport home. Mr. Davenport is residing on East Fourth street, Ontario. Mr. and Mrs. Thomas formerly resided at 555 Eighth avenue.

MYSTERY CAR IN SHOT AT COUPLES

Four Uplanders Believed Intended Victims of Hold-Up on West Ninth

Mystery surrounds the firing at an automobile carrying two Upland families Saturday. One shot from an approaching car barely missed Mr. and Mrs. Amos C. Burkholder and Mr. and Mrs. Charles Haughs.

The mystery car gave to the four people indications of an attempted holdup. No other motive for the shooting can be determined.

With Mr. Burkholder driving, the couples were going toward Pomona on Ninth street and were approaching the San Bernardino county line west of Central avenue. Ahead of them, going east, a car slowed down and definitely inclined to the north side of the pavement, forcing the Burkholder machine off to the side of the road. Just as the two cars were even, a shot flashed from the eastbound machine. The aim was wild, but the effect of the sound blurred the ears of the two men for a short time.

Mr. Haughs jumped from the car as Mr. Burkholder stopped. Screams from the passengers and the fact that Mr. Haughs alighted are believed to have scared away the mystery shooters.

The incident was reported to Constable Cecil Myers, who investigated.

Ontario Will Act

Annexation Election Question To Be Before Council Next Monday

Ontario city council will act next Monday on the question of a proposition to call an election in the North Ontario district.

That was the report today of Roy Boles, a member of the council's conference committee, to which the matter was referred a week ago. Mr. Boles gave the assurance today that the matter would not be dropped within the committee, but that the council will have an opportunity to act next Monday on the committee's recommendation. Mr. Boles would not indicate today what would be the committee's recommendation.

The Ontario council has the opportunity to either call the election or to refer the matter to the Upland city council. The proposed election will enable residents in the area north of 660 feet south of Seventh street to determine if they want to be a part of Ontario or to become a part of Upland.

An opportunity to decide the question was sought by residents within the area. Many in that district have preferred a change for many years due to the proximity to the various Upland organizations and to the better service that could be given by Upland as a municipality.

WELFARE SHOP TO HOLD SALE FEB. 1

Meeting of Junior Welfare League Is Held at McCord Home

The Welfare shop is to hold a clearance sale on articles that are most needed at this season, it was announced by Mrs. A. A. Aita, chairman of the shop committee, during a regular meeting of the Junior Welfare League held Friday afternoon at the home of Mrs. Robert H. McCord, 111 West Seventeenth street.

The sale will be held on Friday, Feb. 1, at the shop on First avenue above Ninth street, and the articles placed on sale will be priced at from 1c to 5c. Much of the League's welfare work at the present time is being carried on through the shop.

Many of the contribution bags have accumulated at the shop and at the request of Mrs. Aita these bags will be re-distributed, each member of the League assuming the responsibility of placing 10 bags in the homes of those who will cooperate by contributing their discarded clothing and other articles that may be used in welfare work.

The meeting Friday was conducted by the League president, Mrs. Clair E. Kirk.

The League recently undertook to aid in the sale of tickets for the President's birthday ball to be held on Wednesday, Jan. 30, as a benefit for a fund to be used in combatting infantile paralysis. As chairman of the ticket committee, Mrs. Keith Koehler made the very acceptable report that the League membership gave its support 100 per cent and the committee sold 30 tickets in addition, Mrs. Koehler being assisted by Mrs. Don Palmer and Miss Clara Lou Nisbet.

The next meeting of the League will be held on Friday, Feb. 8, at the home of Mrs. Aita, 755 Euclid avenue.

Robbers Strip House While Residents Are Absent Half an Hour

Robbers who apparently spotted the home of Mr. and Mrs. L. N. Bovin, Central avenue, just south of Eighth street, in the College Heights district, made a thorough job of it Saturday night. The couple were gone from their home about half an hour.

During that time the intruders took all the bedding, wearing apparel, including 17 dresses, and all the groceries.

When Mr. and Mrs. Bovin returned from an errand all the clothes they had were those they were wearing, they had nothing to cover them while sleeping, and nothing to eat. They reside in Ontario township. Authorities were called but no trace was found as to the identity of the thieves.

CHURCH PURCHASES ALPINE RESORT AS COLLEGE BUILDING

Beulah College To Occupy New Campus in September as Deal Closed

SCHOOL IN ITS 15TH YEAR

Structure Formerly Used as Hospital Will Be Remodelled for Class Work

Beulah college today purchased the property at West Arrow highway and San Antonio avenue, which for some time has been used as a resort. Possession will be taken May 1. The college will open its 1935-36 term of school in the new location. In the meantime the structure, known as the Alpine resort, will be remodeled. In former years the building housed the San Antonio Community hospital.

H. G. Brubaker, president of the college, explained that all of the institution's class work will be conducted at the new location, with special public programs being held in the Brethren in Christ church building at Third avenue and F street. All of the class work is now conducted in the church building.

Purchase of the property marks a definite advancement for the institution, which is observing its 15th anniversary.

In addition to the main building, there are two other buildings, these to be used as dormitories. The purchase includes an acre of ground, which will be developed as a campus.

Enrollment has been gradually increasing for the college and with the new campus arrangement, a further definite increase is anticipated.

General Moderator To Be Present at Presbyterian Meet

Many Presbyterians from the churches of the Riverside Presbytery, which includes San Bernardino and Riverside counties, will gather in Redlands Thursday night for a meeting of the Presbytery at which Dr. William Chalmers Covert of Philadelphia, moderator of the general assembly of the Presbyterian church in the United States, will be speaker.

Dr. Covert, whose position is the highest that can be conferred by the Presbyterian church, is touring Southern California.

The meeting Thursday will be held in the Redlands Presbyterian church, opening in the afternoon at 2 o'clock. Dr. Covert will be the guest of honor at a 6:30 banquet and later he will address the evening meeting, at which the attendance is expected to number 1,000, among whom will be several from Upland. Dr. and Mrs. R. C. Stone, Mrs. Lansing T. Vedder, the Rev. and Mrs. Wm. I. Doole, Mr. and Mrs. Kent W. Fuller and son Harry, Ernest T. Stone and J. H. Siegrist are among those planning to attend one or all of the three events. Several others probably will join the group.

San Bernardino To Rid City of Slot Machines, Is Edict

In San Bernardino city, slot machines are "obviously illegal" is the opinion of Police Chief Daniel G. Murdock and so all machines in the county seat must be removed, according to an edict issued today.

A recent San Bernardino city ordinance permitted operation of the machines at a fee of $5 monthly. Since then, however, the police chief has declared the machines to be illegal. The gambling devices must be removed within 24 hours.

Royal Neighbors To Meet Friday Night

Members of the Royal Neighbors lodge will meet in regular session Friday evening in the American Legion club house, it was announced today. The lodge meeting will be preceded by a contributed dish dinner.

Mrs. Ollie Winter, oracle, and the other recently installed officers will be in charge of the meeting.

A Charity That Deserves Support

Tomorrow night is the date of the President's birthday ball—and it furnishes the opportunity for the people of this nation to do their bit toward a most worthy charity. Millions of Americans are gladly contributing toward the laudable fight against infantile paralysis. In Upland—as in thousands of other communities—the benefit event is to be a ball and the local benefit will be held at Red Hill Country club. Tickets are a dollar per person and it is going to be a most enjoyable informal social occasion. Besides dancing, there will be cards for those who enjoy that pastime—and supper will be served without extra cost to you. And even more than this you will get for your support of this worthy cause, as there will be various attractive entertainment numbers during the evening. Mrs. A. Bradford Whitney, general chairman for the event, has spared no effort to assure a successful benefit, and has received the best of cooperation from all who are helping in the sale of tickets and in arrangements.

There are those who do not approve of dancing or cards and who will not buy tickets on that account. However, all such persons may make their contribution direct to the hospital—and a number of persons are doing this, as they desire to help in so worthy a cause. It should be borne in mind that the local communities are receiving the major share of the proceeds from this year's benefit—seventy per cent remaining in the local communities to help in the fight to eradicate the dread plague at home. The other thirty per cent goes into a national research fund to develop methods of combatting infantile paralysis.

The seventy per cent of the affair at Red Hill will be turned over to San Antonio Community hospital. This institution serves the community in a most efficient manner in every way that could be expected of a well equipped hospital. That institution made a most enviable record during the infantile paralysis epidemic last year and is the only hospital in this territory having the equipment to manufacture the serum used in combatting the disease. The record of San Antonio Community hospital during that epidemic was not excelled by any other institution combatting the disease. Certainly an institution of that kind merits the support of every citizen who is able to contribute in any way—large or small.

It is also emphasized that this nation-wide benefit has no political significance. Politics has nothing to do with it—it is a most laudable effort to stamp out a scourge which annually takes many lives and cripples many others for life. It is a great asset to any community to have within its borders an institution equipped to fight infantile paralysis efficiently. If you have children it is satisfaction to know they can be instantly and efficiently treated if such an emergency should come to your home.

Upland is known as a community which ranks high in all altruistic enterprises. The community is known for its high class citizenship—and our people will "come through" in this as in all other worthy things.

—o—

Some Ideas on Taxes

During the past few years it has become more evident that the brunt of taxes should be paid by income rather than through taxes on real property. The person with property and a small income may not be nearly so able to pay taxes as some other party who has no real estate, but has a much larger income. We get the following very sensible analysis of the proposition from the Beverly Hills Citizen:

"Taxes must be paid out of profits.

"Why is the present tax strain felt so bitterly by real estate? For two reasons, one that vacant property produces nothing with which to pay the taxes, and, second, the productive property does not produce enough to pay interest and taxes. Real estate values only come back as they produce taxes, interest and profit. Largely people are paying their taxes on real estate from profit made in other fields or from increment saved from profits in former years. There is no other place for the taxes to come from.

"A storekeeper who is taxed upon his stock regardless of his turnover pays a share of the tax of the storekeeper who has a greater turnover of business, for the profit is on the turnover and not on the property. A storekeeper with a $50,000 stock pays on that stock of goods. Yet another merchant alongside him pays on a $50,000 stock, but turns it over three times in a year. He pays the same taxes, but can afford to pay more. This is recognized in the income tax.

"All schemes of tax paying which do not take into consideration the ability to pay result in confiscation, and ability to pay rests upon profits.

"A fortunate movie queen with a $50,000 income puts $50,000 in a house. Immediately this $50,000 investment becomes taxable. Another movie queen with the same income spends it as she goes along and has nothing to show for it at the end of the year. She pays no property tax, as she has nothing in the way of property. But the movie queen who built the house pays an income tax on her $50,000, as well as the taxes on her home. The other movie queen pays only her income tax. The penalty is upon the houseowner whose offense is the ownership of property.

"The sales tax is also equitable, for the money in hand is the only taxable thing many people have. Without property and with small incomes they pay no taxes, either personal or income. What they buy with represents profit either their own, or if they are on the charity roll, somebody else's profit which he has been able to pay in taxes in support of the non-self-supporting.

"A property tax is inequitable as it may or may not produce that which we pay taxes with, which is profit."

—o—

Governor Cooney of Montana spoke a real truth when he recently said: "Stopping to think is not nearly so important as what you do with your thinker when you stop to think." The great trouble in our country in these days is that too many people have done their thinking in idleness. It has been a type of thinking that has resulted in discontent—many having decided that a change was needed and that anything would be better than what we have. They became dissatisfied with our form of government—thinking in the wrong direction and not realizing that although we have been going through perhaps the most critical and trying period of our country's existence, still the good old United States of America is in better condition than any other country in the world and still the best place on earth in which to live. Many do not think correctly—hence their thinking has put them in worse condition than if they had not thought at all. They listen to the gringo, and the agitator and become their own worst enemy because of the frame of mind into which they finally land.

ODD! - - - - - BUT TRUE!

Notes of Society

Silver Tea, Fashion Revue Held at Frost Home

The silver tea and fashion revue given on a recent afternoon by Mrs. Amy Frost at her home on East Ninth street, was a delightful event and drew a large attendance. The tea was a benefit for the Advance Bible class of the Methodist church and members of that organization and many of their friends were in attendance.

The home was open from 1 to 6 o'clock with the guests calling at their convenience during those hours. Yellow and white was the color motif used in the decorations and the table appointments, a charming effect being achieved. Mrs. George A. Culver presided at the tea table.

During the afternoon Mrs. Clepper, a member of the faculty in the Chaffey domestic science department, discussed spring styles and materials in an interesting manner. Adding much to the pleasure of the afternoon, Miss Ethel Leeke sang "The Old Spinning Wheel" and "An Old Fashion Garden," and Miss Vivian Chambers sang "I Love You." Mrs. Fannie Gay was accompanist for both singers.

Chaffey Wives Enjoy Chinese Luncheon and Program

On the occasion of their recent social gathering, which was held at the home of Mrs. Geo. P. Weldon, 420 East D street, Ontario, members of the Chaffey Wives club enjoyed a delightful Chinese luncheon and program.

The chop suey luncheon was served at 12:30 and the central dish, which was a delightful treat, was accompanied by a number of other Chinese delicacies. Oriental decorations also prevailed, being used both on the table and throughout the rooms.

Mrs. Gardiner W. Spring, president of the club, held a brief business meeting and plans were made for entertaining the Dames and Damsels of the Chaffey faculty with a bridge tea, to be given in the near future.

As part of the interesting program presented, Mrs. Ben Schmidt, who lived for many years in China, gave a most interesting discussion of life in China, telling both of its pleasures and of its not so pleasant features. She also showed a number of pieces of Oriental art work.

Mrs. Hubert Weldon of Los Angeles, daughter-in-law of the hostess, entertained with beautiful voice and whistling solos, being accompanied at the piano by her mother, Mrs. Hubert Ives of Pasadena.

Brief reviews of several books on China were given by Mrs. Fred H. Clapp.

Thirty-seven members of the club were present to participate in the pleasures of the afternoon.

Woman's Club Board To Meet Monday

A regular meeting of the executive board of the Upland Woman's club will be held at the club house Monday morning, Feb. 4, at 9 o'clock, it is announced by Mrs. S. M. Jessup, president of the club.

Pioneers Recall Old Days at Reunion Held Saturday

The "good old days" had their inning Saturday when 37 pioneers, daughters of pioneers and other residents for many years gathered at the home of Mrs. Minnie D. Goodrich, 415 West Sixteenth street, and enjoyed a reunion, some of the old time friends meeting for the first time in many years.

A contributed dish luncheon was served at the noon hour and the entire afternoon was given over to visiting, with much of the time being spent in reminiscences of the very early days, many happy occasions being recalled by friends who played together and attended the first schools in the Ontario colony before Upland had been thought of.

Others who had come to the district at a later date, but who still can look back upon 30 or more years of history of the community, also told of many interesting things and all were of the opinion that they had just as much pleasure and enjoyed happier social times then than in the present day of hurry and excitement.

However, many pleasant present day experiences also were related and news was given of absent friends and former neighbors.

Present for the reunion were Mrs. George Gregg, Mrs. Thos. W. Harris, Mrs. C. K. Francisco, Mrs. H. C. Kennedy, Mrs. Ellery F. Wright, Mrs. Mae Cable, Mrs. T. M. Nichols, Mrs. H. O. Blohm, Mrs. W. C. Cline, Mrs. Fred Wilding, Mrs. Frances Nafius, Mrs. Perry O. Long, Mrs. E. C. Mehl, Mrs. J. F. Sawyer, Mrs. H. M. Bailey, Mrs. Chas. E. Allen, Mrs. G. A. Brest, Mrs. Maud Brogan, Mrs. Bess K. Grisham, Mrs. F. H. Manker, Mrs. Grace Paulin, Mrs. Ella Kouts, Miss Elizabeth Harris, Miss Bertha Goodrich, and the hostess, Mrs. Goodrich, all from Upland; Mrs. C. M. Sikes and Mrs. D. D. Crew of Ontario; Mrs. N. I. Hamer, of Pomona; Mrs. E. B Reynolds, of Fullerton; Mrs. Olive Paulus, of Banning; Mrs. Marian Weston and small daughter, of Pasadena; Mrs. Maxine Jay Tavenner, of Altadena; Mrs. Anna Myers, Mrs. Leo Heller and daughter, Dorothy; Mrs. Maud Gunning and Mrs. Ed. Gargan, all of Los Angeles, and Mrs. Earl Maurer, of Barstow.

Business Women Join In Celebration of Increased Roll

Paying their debt in delightful fashion, members of the losing side in the recent membership campaign conducted by the Upland Business and Professional Women's club entertained members of the winning side with a merry party given last evening at the home of Mrs. J. W. Scott, captain of the losing team, at 945 Fifth avenue.

Mrs. Ernest T. Stone, club membership chairman and also captain of the winning team, announced 11 new members were received into the club during the campaign and that since the opening of the club season last autumn 20 members have been added to the club's rolls.

Opening the informal evening's entertainment, a delectable contributed dish dinner was served, 31 club women being present.

Later several tables of bridge were made up and a spirited tourney ensued, however, the games were not permitted to interfere with the animated conversation that enlivened the party.

During the evening Miss Isadore Miller, chairman, and her program committee, including Mrs. J. W. Scott, Mrs. C. B. Bocthe, Miss Frances Roberds and Mrs. Glenn Arnold, club program chairman, found time to discuss plans for the club dinner meeting to be held in the Upland Woman's club house on Tuesday evening, Feb. 5. This will be an international interests meeting and the Ontario and Chino clubs are to be invited.

Late in the evening several of the guests made up a theatre party and attended the show at the Upland theatre.

Future members of the club attending the party were little Ray Barnett and the hostess' two young daughters, Beatrice and Billie Scott.

Junior High Members Of Honor Society Enjoy Party

Members of Chi Sigma, the new honor society recently organized at the Upland junior high school, enjoyed a wiener roast on Friday evening at the home of one of the members, Dixie Lee Jordan, daughter of Mr. and Mrs. N. C. Jordan of West Foothill boulevard.

As a pleasing addition to the menu, Mrs. Jordan served delicious pie. After the party several of the group went on to the theatre and enjoyed the picture show.

Attending the party were Betty Jean Kincaid, Marian Betz, Edgar Pierce, Pauline Jacobs and Dixie Lee Jordan, of the seventh grade; Keyonaga Okamoto, Richard Goodban, Leslie Warner, Mono Boyd, Clarence Lankford and Marjorie Browning, of the eighth grade; Dorothy Benson, Ernest Fischer and Lyle Hays, of the ninth grade. Eileen Greear, ninth grade member of the society, was unable to attend because of illness.

Local Pan Hellenic Society To Meet On Thursday

Gathering for their annual evening social meeting members of the Pan-Hellenic society will be guests Thursday evening of Mrs. Walter A. Hall, 321 East H street, Ontario, when she entertains with a dessert bridge.

Mrs. Donald S. Gidley, president of the society, will conduct a brief business session and the greater part of the evening will be spent at the bridge tables.

The hostess committee assisting Mrs. Hall will be Mrs. R. W. Barton, chairman; Mrs. Hal Harlow, Mrs. Earl E. Hawthorne, Miss Abbie Shoemaker, and Miss Ruth Harms.

Huge Reservoir Is Being Used by City

(Continued from Page One)

plished without a bond issue—and is all paid for, so Uplanders should feel pretty good about the matter.

Before the expansion program began the total storage capacity for water in the system was only about 1,000,000 gallons—now it is more than 5,000,000 gallons. During the summer when our citizens use the greatest amount of water about 1,500,000 gallons per day is required—at the present time, when demand is at the lowest—about 500,000 gallons are used. Previous to the expansion program the water storage capacity would have lasted less than one day in an emergency—now several days supply is on hand, thus enabling ample time for repairs should any such emergency arise.

Because of the fact that better pressure is obtained from the Upland system the packing houses below the Santa Fe tracks secure their water from this city's plant, this fact also providing better fire protection for them.

Star Chapter Enjoys Social Gathering and Program

Opening with a contributed dish dinner at which 90 persons were served, Upland chapter, Order of the Eastern Star, held the January social meeting last night in the chapter rooms in the I. O. O. F. hall, a delightful evening being enjoyed. The gathering was made all the more pleasant for the members by the announcement that their worthy matron, Miss Mary Von Stein, is progressing nicely in the Pomona Valley hospital, where she recently submitted to a surgical operation.

The evening's events began with a contributed dish dinner served in the dining room and during the dinner hour assembly singing was led by Walter W. Horak with Mrs. J. Lynward Grahame at the piano.

The floral decorations in the dining room included effective combinations of white freesias and lavender heather and the place favors were cleverly made figures in red and white and created much amusement.

In the chapter room purple iris and yellow blossoms were used in artistic arrangement. The brief chapter meeting was conducted by Mrs. Earl C. Thomas, acting matron, with the program following.

Opening the program, Mrs. Allen presented Mrs. Harry Plum as program chairman and she in turn introduced the entertainers.

Jackie Kirk, little more than out of kindergarten, proved his marked ability as a tap dancer and his older brother, Eddie Kirk, who has played with the Beverly Hill Billies, radio entertainers, delighted his audience with a group of guitar and yodeling numbers.

Another special feature of the program was the singing of several numbers by Peggy Grahame, whose lovely voice always wins her audience.

Concluding the program, two readings were given by Mrs. Juanita Lutz, instructor in dramatics and dancing at the Upland recreation center. Miss Lutz had expected to present some of her pupils, but illness prevented.

Mrs. Allen's hostess committee included Mr. and Mrs. Walter W. Horak, Dr. and Mrs. H. J. Kaufman, Mrs. Harry Plum, Mrs. Sarah Redmon, Mrs. Agnes Hawkey, Mrs. W. J. Kermott and Mrs. Anna Lamb, and the floral decorations were arranged by Mrs. Francis Wagner and Mrs. Agnes Hawkey.

WATCH YOUR KIDNEYS!

Be Sure They Properly Cleanse the Blood

YOUR kidneys are constantly filtering impurities from the blood stream. But kidneys get functionally disturbed—lag in their work—fail to remove the poisonous body wastes.

Then you may suffer nagging backache, attacks of dizziness, burning, scanty or too frequent urination, getting up at night, swollen feet and ankles, rheumatic pains; feel "all worn out."

Don't delay! For the quicker you get rid of these poisons, the better your chances of good health.

Use *Doan's Pills*. *Doan's* are for the kidneys only. They tend to promote normal functioning of the kidneys; should help them pass off the irritating poisons. *Doan's* are recommended by users the country over. Get them from any druggist.

DOAN'S PILLS

New Kidneys

If you could trade your neglected, tired and lazy Kidneys for new ones, you would automatically get rid of Night Rising, Nervousness, Dizziness, Rheumatism, Burning, Itching and Acidity. To correct functional kidney disorders, try the guaranteed Doctor's special prescription called CYSTEX (Siss-tex). Must fix you up in 8 days or money back. At all Druggists.

Stomach Gas

One dose of ADLERIKA quickly relieves gas bloating, clears out BOTH upper and lower bowels, allows you to eat and sleep good. Quick, thorough action yet gentle and entirely safe

Mrs. Stella Breffle and her aunt, Mrs. Mary Wheelock, motored to Long Beach Sunday and enjoyed a pleasant day on the beach.

Tyrus C. Thompson, a CCC member, was arrested Saturday by T. E. Adams of Camp Baldy on a petty theft charge. He was released to Arcadia police officials.

Intoxication charges brought arrests for two persons over the week end. Joe Ambris, resident of a local Mexican camp, and Jack Scott of Alta Loma were placed in the local jail.

Louis Perkins of San Diego came up for a week-end visit with Mrs. Perkins, who has been staying with her parents, Mr. and Mrs. J. M. Springer, at their home on Foothill boulevard, since she and her husband arrived from Honolulu.

Miss Margaret Henry, daughter of Mr. and Mrs. E. W. Henry, 175 West Foothill boulevard, has been quite ill since Saturday at her parents' home. She is showing some slight improvement today and her condition is encouraging.

Mr. and Mrs. W. C. Born and daughters, the Misses Elizabeth and Christina, and son Phillip, went to Los Angeles today to attend funeral services for Mr. Born's niece, Mrs. George Martin (Ethel Born), who died suddenly Saturday morning.

Mrs. Margaret Cameron, mother of Mrs. Maud Linsley, president of the Upland Business and Professional Women's club, who became ill last Friday, is somewhat improved today according to reports from the home on East Ninth street.

The As You Like It club, led by Mrs. H. W. Hawkinson, will hold its regular afternoon session Friday at 3 o'clock at the home of Mrs. Mary Eckerman. Miss Sinabel Hart and Miss Bertha Palmer will present the program, being studies of poems by Untermeyer and Carl Sandberg.

Mr. and Mrs. Amos Colborn and Jack Harris were in Los Angeles last week, attending a meeting of Westinghouse electrical dealers of Southern California. Six hundred persons were in attendance, with the 1935 line of Westinghouse refrigerators shown for the first time.

Mr. and Mrs. George Gregg of East Arrow highway had the pleasure of entertaining friends whom they knew when living in the east. Their guests were Mr. and Mrs. Eugene Kelley of Waterbury, Ind., Mr. and Mrs. Robert Nesbit and son, Robert, Jr., of Chicago, and Mr. and Mrs. Andrew Maselle of Los Angeles, whom the easterners are visiting. In the afternoon other friends, Mr. and Mrs. Jack Truelove and Mrs. Hazel Pitcher of Los Angeles, came out to join the group. Mr. and Mrs. Kelley are planning to leave shortly by way of the Panama canal for Palm Beach and Miami, Fla., to spend the remainder of the winter.

PROBLEM OF YOUTH PARAMONT ISSUE

Miss Hefferman, State School Official, Speaks Before Chaffey Parents

Declaring that the future of the 20,000,000 young men and women between the ages of 16 and 25 years in the United States, presents the most serious problem before the American people today, Miss Helen Hefferman, chief director of elementary and rural education in California, addressed approximately 200 parents and teachers of the Chaffey district when they assembled Friday afternoon in the Chaffey junior college auditorium for the second in the series of five parental education lectures being sponsored by the Ontario Council of Parent-Teacher associations, of which Mrs. Hjalmar Anderson of Upland is president.

Miss Hefferman was one of a nation-wide committee called to washington, D. C., by President Roosevelt last spring to discuss the problems of youth and unemployment.

There were at that time, the speaker stated, more than 2,000,000 young people in high schools and colleges, 250,000 in private schools and 750,000 boys in CCC camps. More than 4,000,000 young people, she said, are out of school and unemployed.

"The vast majority of this great army of youth, who in the years to come will formulate the policies and decide the destiny of the nation, the speaker pointed out, are now eager to take their place in society, and there is no place for them; they are alert and ambitious, ready to grip with the constructive problems of the industrial and economic world—and they find nothing to grip.

Continued unemployment and lack of prospects for the future will break their morale, Miss Hefferman declared; they are now losing their normal habit of industry, are becoming indifferent, and soon may be not only unemployed but also unemployable.

Using as her subject "The Rising Tide of Youth," Miss Hefferman considered three phases, unemployment, education and recreation.

The home, the school and the community, she said, must now begin considering, as they never have done before, the future of the armies of young people being sent out from the schools of the nation each year. The majority of them will be barred from industrial pursuits by the mechanization of industry, and the educational system must be expanded to give longer and more practical preparation for other lines.

Since federal aid was extended for educational purposes, 770,000 young people have returned to school, Miss Hefferman stated. She also expressed the belief that the CCC camps, perhaps modified at times to fit the needs, will become a permanent fixture in the economic and social structure. Since the establishment of the camps, she stated, admission of boys of CCC age to penal institutions has shown a marked decrease.

The speaker strongly advocated non-commercial, community recreational centers.

C. Burton Thrall, county superintendent, and many school principals were present to hear Miss Hefferman.

Dr. Poponoe, general director of the Institute of Family Relations in Los Angeles, will be the speaker for the meeting next Friday.

Seventh Auto Crash For Month Reported

Bringing the total of automobile accidents in the city for the month to seven, a minor crash occurred Saturday night at Arrow highway and Euclid avenue. No one was injured. Number of accidents is below the monthly average for the city.

Figuring in the crash were Dean Engle, 870 West Arrow highway, and B. G. Gore, 454 Eighth avenue.

Dr. Helms To Speak At Church Tomorrow

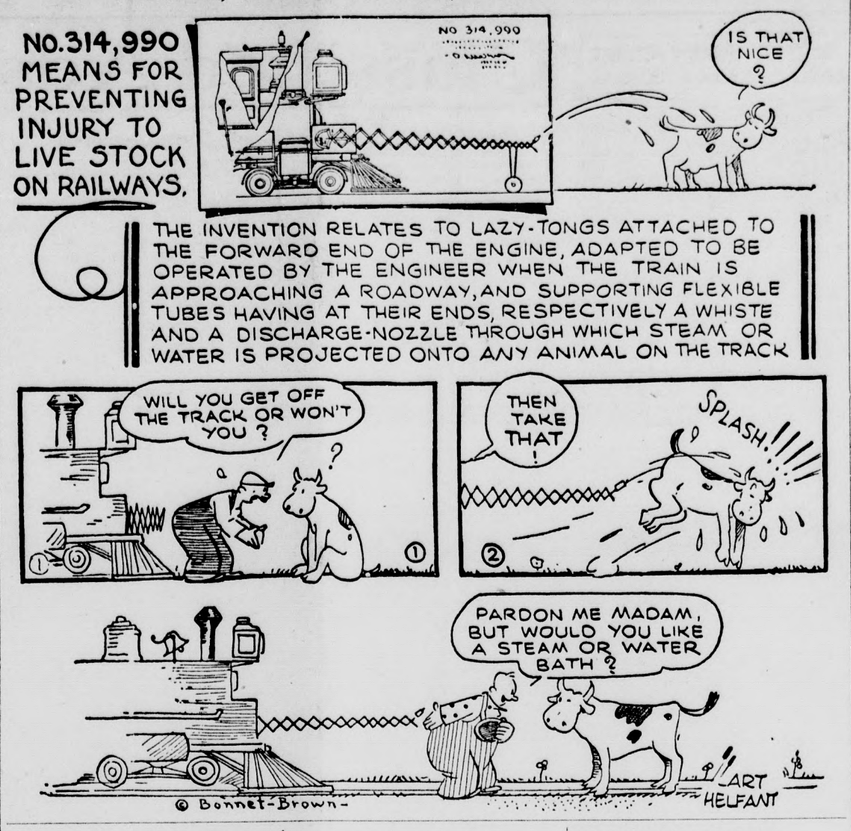

Dr. E. E. Helms, widely known in Southern California Methodist church circles, will speak in Fellowship hall of the Upland Methodist church at 8 o'clock tomorrow night. He will speak following the regular church night pot-luck dinner and devotional service. Dr. Irvin A. Engle will be in charge of the devotions.

Dr. Helms will speak on "Our Job and How To Do It."

Mrs. Susan B. Mehl, dean of women at Chaffey high school, is recovering from an attack of influenza that has kept her at her home on Laurel avenue for several days.

Odd, But True, Inventions!

40 NEW STUDENTS ENROLL AT JAYSEE

25 Eligible for Graduation as First Term Ends—29 Drop Out

Chaffey junior college today has at least 40 new students, with the second term just getting underway. At least 29 students during the first term are not attending the second term. Twenty-five students completed their two years of college work last Friday. Some of these are continuing their studies while others are not.

Such is the report today from the office of Director J. C. Booth. Total enrollment at the college is nearly 600, the same now as during the first term.

Beginning of the second term found no definite enrollment changes at the high school and at the Upland schools. Ernest W. Fischer, high school principal, said that only a few students finished their regular high school course at mid-year.

A special meeting of the Citrus Belt league will be held Feb. 25 to decide on a proposition to change the southern division of the California Interscholastic federation.

First event for the track aspirants will be the annual Orange Show relay, to be held in San Bernardino Feb. 22.

Chaffey is not faring so well in basketball this year, with the Tigers being drubbed severely by Redlands Friday. The jaysee Panthers took a defeat from San Bernardino Friday night.

Joint Installation For Officers Held By Royal Neighbors

Making a special event of their installation, officers of Upland and Ontario camps of the Royal Neighbors lodge and a large number of the members went to Pomona Friday evening when a joint installation of the two groups of officers was held, the visitors being guests at a regular session of the Pomona lodge.

Adding to the importance of the occasion, Mrs. Lenora B. Fletcher of Long Beach, district deputy, and her degree staff conducted the impressive ritualtstic ceremony, the work being beautifully executed.

Mrs. Fletcher and her ceremonial marshal were presented with bouquets of lovely flowers, Mrs. Bertha Martin making the presentation in behalf of both lodges.

Special recognition was given to Mrs. Charles Dewey, who has served the Upland camp as chancellor continuously for 27 years, and she was presented with a handsome 25-year pin. Mrs. Dewey is a charter member of the Upland camp.

Officers installed for the Upland camp were Mrs. Ollie Winter, oracle; Mrs. Anna Lamb, vice-oracle; Mrs. W. T. Underwood, past oracle; Mrs. Charles Dewey, chancellor; Mrs. H. C. Van Dusen, receiver; Mrs. Glenn Smith, recorder; Miss Charlemagne Holderby, marshal; Miss Irma Dinger, assistant marshal; Mrs. R. L. Dinger, inner sentinel; Mrs. Margaret Hightower, outer sentinel, and Mrs. Henry Taylor, flag-bearer.

Annual meeting of the San Antonio Community hospital staff will be held tonight.

Birthday Greetings To President Being Wired From Upland

With only a short time left in which to send birthday greetings to President Roosevelt, Upland Boy Scouts are today distributing greeting blanks which anyone may sign by paying 25c into the fund being raised to fight infantile paralysis.

The Postal Telegraph Co. and the Western Union will send the telegrams to Washington without charge, making it possible to turn the entire 25c to the paralysis fund.

Of the amount thus raised, 70 per cent will go to the community in which it is contributed and the remaining 30 per cent will go to the national research fund.

This is an opportunity for many who do not purchase tickets for the birthday ball to contribute to the fund and numerous messages are expected to be sent.

Silver Link Lodge Planning to Give Play Next Meeting

Presiding for the first time since her recent installation as noble grand, Miss Frances Roberds conducted the regular meeting of Silver Link Rebekah lodge held Friday evening in the I. O. O. F. hall.

The meeting was preceded by a contributed dish dinner and during the business session there was a discussion of plans for the presentation of a play during the next lodge meeting. It is planned to open the social part of that meeting to the public.

Several visitors from Claremont were present at the meeting Friday night.

Holy City Rehearsal Will Start Tonight

An announcement that has been awaited with interest by local singers was made today by the Rev. Lester Hostetler who stated that rehearsals for the "Holy City", the sacred oratorio by A. R. Gaul to be given early in April, will begin this evening at 7:30 at the Mennonite church. The rehearsals will be directed by the Rev. Mr. Hostetler, who so successfully directed the recent presentation of the "Messiah."

Each one is requested to bring 90c for the books.

A good location is essential for a good home. Red Hill Estates has all the requirements. Ask those who live there. 88-tf

BANKERS HAVE THEIR WORRIES

Frank Nichols Enlightens Rotarians on Some of Troubles in Making Loans

Frank Nichols, assistant manager of the Upland branch, Bank of America, gave one of the most informative and interesting craft talks at the meeting of the Upland Rotary club today noon it has been the privilege of the members to hear in some time. Mr. Nichols' talk had to do with loans and he very clearly demonstrated by means of a chart he had prepared just why so many pointed and personal questions must be asked of a prospective borrower. In concluding, he noted that it is the money of a bank's depositors that is loaned and a bank must be in position to pay its depositors any part or all their deposits upon demand.

Preceding Mr. Nichols' talk George L. Winter gave a short resume of the very interesting address given by Paul Rieger of San Francisco, internationally known Rotarian, before the Ontario Rotary club last Thursday.

Tweed Stone, who attended a recent conference of presidents and secretaries at Riverside, substituting for President Al Reynolds, told of the work being done among crippled children by the Riverside club and also of the work of the California Crippled Children's association, crippled children's work being one of the main activities of Rotary.

Former Resident of Upland Passes Away

Mrs. Emma Lageschulte, widow of John Lageschulte, who died in 1926, and a former well known resident of Upland, passed away late last night at her home, 217 East E street, Ontario.

Funeral service will be held Friday morning at the Ontario Draper chapel with interment in Bellevue cemetery.

STUDENT LEADERS AT SCHOOL NAMED

Fannie D. Noe Pupils Organize For Second Semester Activities

Student leaders for the second semester's activities at the Fannie D. Noe school were installed Friday morning in the regular upper grade assembly. Billy Simpson has been chosen president of the group, succeeding Cecile Austin who served during the first half of the year.

Mary Louise Keller has been elected president of the health and cleanliness council, her helpers, each representing a different upper class room, being Cecilie Austin, Tom McLellan, Myrtle Robinson, John Anderson, Billie Karr and Beverly Jordan.

On the safety council are Alice Rose Wilson, president; Darwin Anderson, Howard Flake, Takeji Morishegi, Keith Gingerich, Crawford Anderson and David Myers. Executives in charge of conduct and social relations are Georgia Sleuman, president; Edna McAllister, Lucile Childers, Richard Clark, Donald Meredith, Harriet Bixon and Patty Thomas.

Heading the scholarship and publicity council is Owen Alderfer. His assistants are Verginia Jenison, Charles Hall, Billie Scott, Clair Kirk, Carol Luellan and Eldon Mather. On the service and Red Cross group rae Sheldon Swan, president; Harold Naylor, Barbara Gray, Jean Pehl, Marion Brown, Gwendolyn Cline and Eola Shoemaker. Decorations and displays at the school will be supervised by Donald Detmers, president of the council, Paul Williams, Dean Anderson, Verna Isom, Richard Bice, Jane Cooley and Howard Craig.

Thrift and civic guards is composed of the following: Paul Reed, president; Alan Goodban, Don McMasters, Joe Rodriguez, James Atwood, Howard Coats and Geene Leete.

Programs at the school will be planned by the following councilmen: Miriam Settle, president; Irene Palmer, David Beitzell, Patsy Steiner, Jack Christensen, Maragene Connelly and Mary Beitzell.

College Heights

COLLEGE HEIGHTS, Jan. 29.—H. G. Smith of Arrow highway just returned from Portland, Ore., where he was called on account of the recent illness and death of his twin sister, Mrs. John Huffstutter.

Royal Crumpacker left Saturday morning on a vacation trip to Texas. He will also go to Wichita, Kansas, where he will visit his father and stepmother and other relatives.

Mr. and Mrs. John Shirley of Cheyenne, Wyo., are visiting at the J. H. Jackson and Wimberley homes. Mrs. Shirley is a sister of Mr. Jackson and a relative of Mrs. Wimberly. Mr. Shirley is a retired railroad man. After their visit here they will go back to their home in Cheyenne, but have made plans to return here to make their future home.

Mr. and Mrs. Paul Fernbach motored to Monrovia Sunday, spending the day with Mr. and Mrs. W. E. Thomson.

Robbers entered the home of Mr. and Mrs. L. N. Bovin of Central avenue, just below Eighth street, between 7 and 7:30 Saturday evening and completely stripped their home of all their bedding, all their wearing apparel, including 17 dresses, and all their groceries. The police were called but no trace has been found. Mr. Bovin is a salesman of the Allison Coffee company.

At the home of Mr. and Mrs. Thomas Hebert as Sunday callers were Mr. and Mrs. Richard Zapke of Pomona, and Mr. and Mrs. Howard Smith of Pomona, as dinner guests.

Miss Mary Hale and Miss Mamie Hale with their guests, Dr. and Mrs. S. S. Guerrant of Virginia, started yesterday on a motor trip to Boulder dam. They expect to return tomorrow.

Frank Meyer and his niece, Miss Valesca Rost, motored to Cedar Pines park Sunday and found the weather there lovely and warm, with only a few patches of snow.

Sunday dinner guests at the Pautz home were Mr. and Mrs. Lester Michael and young son, Mr. and Mrs. Thomas Michael and daughter, all of San Bernardino, and Miss Valesca Rost of Pasadena.

Mrs. Fred R. Rickel and her son Ralph Rupert, were removed from the San Antonio Community hospital today to their home on Mountain avenue.

Today's Egg Prices

Following are today's Los Angeles quotations on the wholesale price of eggs:

Large	27c
Medium	26c
Small	25½c

KING ORANGE WILL REIGN SOON OVER CITRUS WORLD AT ANNIVERSARY SHOW

California's Greatest Mid-winter Event, the National Orange Show is rapidly approaching at San Bernardino, the dates being February 21 to March 3.

This organization is celebrating its twenty-fifth birthday with a citrus pageant of rare beauty. The decorations will out-rival those which have made the Orange Show famous in past years. Silver and purple and gold is the color scheme for the rich drapes and hangings as well as for the score or more of feature displays. The National Horse Show de luxe will again be an added attraction.

Scores of girls will take part in the great stage program which will be offered day and night during the ten days of the show. Here are three of the Orange Blossom beauties.

ALTA LOMA-CUCAMONGA

To Hold Church Benefit

Tentative plans for a benefit event to be held by the Ladies Guild of the Cucamonga Community club were made during a meeting held on a recent afternoon at the home of the president, Mrs. Ray R. Ford, 498 North Archibald avenue. Definite decisions concerning the affair, which is expected to be held sometime in February, will be made at a subsequent meeting, when announcement will be made of the plans.

Visit Camelia Garden

Mrs. Arthur G. Phelps, president of the Community Garden club, and Mrs. Charles Bauer attended the meeting of the Inter-County Garden club held in Temple City. At the morning session the program included a talk on iris culture. After the noon luncheon the entire group made a trip to Arcadia to visit a camelia garden, a beautiful sight that was well worth the trip.

Plan Rose Pruning

A demonstration in rose pruning will be held on Friday, Feb. 1, at the home of Mrs. Lydia Harrington in East San Gabriel, it is announced by Mrs. Arthur G. Phelps, president of the Community Garden club. John Van Barnveldt of Puente, an enterprising young gardner and an expert in rose culture, will do the pruning. A number of garden lovers of Cucamonga and Alta Loma are expected to attend the demonstration.

Mrs. H. L. Parker of Pasadena came our Monday from her home in Pasadena for a visit with her parents, Mr. and Mrs. Geo. E. Keyes, Hermosa avenue.

Mr. and Mrs. Charles Beckley had the pleasure of entertaining as their guests Sunday Mr. and Mrs. Otto Nagle of Albany, Ore. Mr. and Mrs. Nagle are visiting in Long Beach with Mrs. Nagle's parents.

Pictures on Upland Theatre Bill Given Strong Endorsement

Strong endorsement of the movie bill on the Upland theatre schedule is given this week by the Upland Motion Picture council. All the big features are strongly recommended and they have with them as short subjects recommended pictures.

Mrs. Leon Durham, president of the council, has recognized the efforts of the theatre managers to cooperate. When good pictures are shown she strongly recommends them.

Showing tonight and tomorrow night will be "College Rhythm," featuring Lanny Ross and Joe Penner, and George Arliss in "The Last Gentleman." The latter film differs from the usual Arliss picture in several ways. It is a musical comedy revolving about a crotchety old millionaire's sly efforts to pick a worthy heir from his many relatives.

Starting Thursday will be Ann Shirley and Tom Brown in "Anne of Green Gables," and Robert Young in "Death on the Diamond."

ETIWANDA

ETIWANDA, Jan. 29.—Twenty-one delegates from the Etiwanda Parent-Teacher association attended the second number of the parental education series of lectures at Chaffey junior college on Friday afternoon. Miss Helen Heffernan of the state board of education, spoke on "The Rising Tide of Youth" and all were enthusiastic over the lecture. The local group included Mesdames Wm. McKee, W. I. Newman, W. H. Frost, John Frost, John Scott, J. A. McCann, Donald Mueller, Wm. B. Hutton, F. F. Roe, T. G. Appel, E. C. Appel, Rena B. Francis, Thomas Donnelly, Lue B. Dooley, J. F. Gregg, A. A. Werner, Mr. and Mrs. Chas. Donnelly, Misses Maddalyn Traviss, Hazel Bever and Dorothy McMahon.

The Etiwanda Service club is sponsoring a card party in Cypress hall Saturday evening, Feb. 2, to which the public is invited. A charge of 25c per person will be made, the proceeds to assist in paying debts incurred by improvements recently made on the building.

Mr. and Mrs. George R. Hippard of Los Angeles were weekend guests of Mr. and Mrs. W. G. Pearson. Mr. and Mrs. Billy Hippard came up for the day Sunday.

Mrs. Wm. B. Hutton entertained at bridge Saturday afternoon honoring Mrs. J. F. Gregg of Los Angeles, house guest at the Thos. Donnelly home. Guests included Mrs. Gregg, Mrs. Lue B. Dooley, Mrs. Thomas Donnelly, Mrs. F. F. Roe, Mrs. O. H. Price, Mrs. Wm. McClean and Mrs. Lawrence Mueller.

Mrs. Lue B. Dooley and Allan Donnelly motored to Los Angeles with Mrs. Gregg Sunday afternoon.

Mr. and Mrs. Wm. McClean spent Saturday night and Sunday with their daughter, Mrs. Clyde Webb and family, at Temple.

Mr. and Mrs. Harry Dilts of Narod were guests of Mr. and Mrs. A. A. Werner Sunday afternoon.

Mrs. W. H. Frost visited her daughter, Mrs. "Zeke" Keough and family, in Pomona Saturday.

Film Made at Pomona College To Be Shown On California Screen

Of special interest on the California theatre bill is "Bachelor of Arts," which has as its setting the Pomona college campus. Many of the college students appear in the scenes of the film. Many residents of the district went to Claremont to see the picture in the making. Misses Louise Norton and Gloria Foss of Upland worked in a number of the scenes.

The picture will be shown on Thursday and Friday. Tom Brown and Anita Louise are the starring leads in the film. Also shown on the same program will be "The Captain Hates the Sea," with Victor MacLaglen and John Gilbert.

Ending its run tonight will be "The Painted Veil," with Greta Garbo, and "Babbitt," featuring Guy Kibbee and Aline MacMahon. The featured film tomorrow night is "What Every Woman Knows."

Printing that pleases at the Upland News.
